OCTOBER 4, 2020 | ORILLIA OPERA HOUSE

Event Insight

Orillia is fortunate to boast a deep cultural and intellectual history. The City is seeing an increasing amount of growth and the downtown core is entering a new era of revitalization. A wave of transformation can be seen across the City, and as the demographics of our community evolve, new perspectives are coming forward. Through these perspectives we are able to gain the insight of diverse cultural backgrounds, fields of work, and generational experience.

TEDxOrillia 2020 is sure to inspire new and interesting ideas and be a catalyst for a broader community conversation.

Why Do We Need Support?

TEDx speaker events are non-profit – a requirement of the TED organization. We are allowed to partner with sponsors, who can provide financial or in-kind donations, in exchange for acknowledgement at the events.

In many cities, TEDx has become a cornerstone annual event, with a high level of recognition.

Sponsorship Options

We have a range of sponsorship options, starting as low as \$500. The number of sponsor spots is limited, in order to preserve the value of the sponsorship. Please see the next page for detailed sponsor levels.
